LIFE COMMITMENT

Realizing that God planned me before my birth and that He uniquely shaped me for His purpose, I have resolved to live the rest of my life seeking to know and fulfill the Life Mission God made for me and to rely on His power to accomplish it. I understand that my spiritual journey includes four crucial elements as a Christ follower and I commit to strengthen them:

Worship- theologically, practically, and strategically central to our lives, as both an event and a lifestyle

Grow- knowing that we are to be transformed through Christ, growing closer to Him

Serve- faithfully and willingly caring for and serving others and Christ served others

Share- sharing our time, abilities, resources, and faith with others

We are God's workmanship, created In Christ Jesus to do good works, which God prepared in advance for us to do. –Ephesians 2:10

LEADERSHIP COMMITMENT

Being involved in the worship ministry presents a unique opportunity to serve Parkside Christian Church. God has called you not only to minister on a regular basis the members of the church, but also to be an example in behavior and character to those seeking Christ as well as to fellow believers. Setting a good example in thought, word, and deed involves a number of different things such as growing in Christ, responding to others in love, and sharing the gospel with unbelievers. I understand that being a part of the worship ministry increases my visibility to others. Though I am not perfect, I will try to live an Ephesians 5 lifestyle.

*Follow God's example in everything you do, because you are His dear children.
-Ephesians 5:1*

MINISTRY COMMITMENT

Along the lines of the Leadership Commitment, setting a good example by fulfilling your commitments is vitally important to serving in ministry. Parkside's Worship Ministry participants are expected to punctually attend each rehearsal and ministry event. In addition, time must often be set aside each week to practice and prepare. Of course, emergencies and unforeseen circumstances often arise. Don't panic! Have a great time serving the Lord, just bear in mind that following through with your commitment to this ministry is actually part of ministering to the needs of Gods people. Being faithful to this commitment can be just as important to your personal testimony as is the use of your gifts and abilities.

I understand the Life, Leadership, and Ministry Commitments that are required to participate in the Worship Ministry at Parkside and I commit to follow them.
